Andhra Pradesh,India

SKILLS

- **Programming Languages:** Java, Python, C, C++, SQL
- **Web & Mobile Development:** Flutter, Dart
- **Databases:** MySQL, Firebase Firestore
- **Tools & Technologies:** Git, GitHub, VS Code, MySQL Workbench
- **Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming, DBMS, Computer Networks, Operating Systems
- **Soft Skills:** Problem Solving, Teamwork, Communication, Adaptability

LANGUAGES

- English – Professional Proficiency
- Telugu – Native Proficiency
- Hindi – Conversational Proficiency

SUMMARY

Motivated Computer Science and Engineering undergraduate with a strong foundation in programming, data structures, databases, and software development. Proficient in Java, Python, C/C++, SQL, and Flutter, with hands-on experience in developing academic and project-based applications. Proven ability to build solutions encompassing mobile application development, AI-assisted network troubleshooting, and database integration. Possesses strong problem-solving and analytical skills, with a keen interest in software development, emerging technologies, and continuous learning.

WORK EXPERIENCE

Student Developer / Project Experience
Academic & Personal Projects | 2024–Present
• Engineered SmartCart, a Flutter/Firebase smartphone app for self-checkout with barcode scanning, virtual cart, digital payments, and QR verification.
• Contributed to NetSage AI, an AI-driven platform for Cisco network troubleshooting, incorporating evidence collection, rule-based analysis, AI diagnosis, and human review.
• Leveraged Java, Python, C/C++, SQL, and Flutter to solve complex problems across academic coursework, coding challenges, and software projects.
• Enhanced algorithmic proficiency through implementing efficient data structures and algorithms in competitive programming.
• Participated in academic projects, encompassing software development, debugging, testing, documentation, and presentation.

EDUCATION

BACHELOR OF TECHNOLOGY (B.TECH) – COMPUTER SCIENCE AND ENGINEERING

Lendi Institute of Engineering and Technology
2024 – 2028 | Andhra Pradesh, India

Intermediate / Class XII
Sri Chaitanya jr College
2024| State Board
Percentage/CGPA: 95.3%

Secondary School Certificate (SSC) / Class X
Mansas English medium School
2022 | State Board
Percentage/CGPA: 93.5%

HONORS

- Participated in academic and technical project development activities.
- Developed innovative solutions as part of academic projects, including **SmartCart** and **NetSage AI**.
- Regularly practiced Data Structures and Algorithms through competitive programming platforms.
- Participated in technical and hackathon-related activities.
